WITNESS STATEMENT

Brookewood School exists to help parents provide a basic human and Christian formation to their daughters in grades one through twelve through a challenging liberal arts curriculum in an atmosphere of personal responsibility and freedom and guided by the Magisterium of the Roman Catholic Church. We seek to foster the gifts of faith and culture that are within each girl's grasp and to help fulfill the deep desire to live a noble life.

Witness and example are often as important as proclamation for providing education to young people. Teachers and staff of Brookewood School are expected to conduct themselves in a manner consistent with the teaching of the Catholic Church. No employee, whether Catholic or not, should take a public position contrary to that of the Catholic Church.

As a teacher and/or staff member of Brookewood School, I support this Witness Statement and its implications.
